

Strathclyde Engineering Scholars 2024 – 2025 Application

Please apply here.

You can apply for your own place, in which case please answer the questions below with your own personal information and responses.

If you are a parent, carer, teacher, youth leader, extended family member, neighbour, friend etc. nominating someone else please ask permission from the person you are nominating before completing the form. Please answer all questions in relation to the person you are nominating i.e. their name, postcode, e-mail address, qualifications etc. You may wish to consider completing the form with the person you are nominating.

General Data Protection Regulations

Information you provide in this application form, will be used to assess your suitability to become a 'scholar' on the Strathclyde Engineering Scholars programme. Application information will be shared with the selection panel. Anonymised, general statistics contextualising the overall cohort of successful applicants will also be shared with the Royal Academy of Engineering who are funding the programme and may be used in academic publications that result from the Strathclyde Engineering Scholars programme.

All personal data will be stored securely and managed in accordance with General Data Protection Regulations (GDPR). For more information about how your personal data will be processed, including information on your rights under data protection legislation please see the Privacy Notice for Strathclyde Engineering Scholars - applicants available on the University Website at - https://www.strath.ac.uk/media/1newwebsite/departmentsubject/engineering/privacynotices/StrathclydeEngineeringScholarsPrivacyNotice_2.pdf

*required

1. Full name*
2. Please specify your postcode*
3. Current e-mail address that is regularly accessed*
.....
4. Phone number for parent/ carer*
5. Specify who the number in Q4 is for i.e. mum/dad/carers/other*
6. Year of study as of August 2024*
 - Sixth year
 - Fifth year
 - College student
 - Other
7. What Secondary School/College you currently attend*
.....
8. Subjects you will be studying in year 2024/2025 studying and level i.e. SQA Higher English, SQA Higher Mathematics, SQA Advanced Higher Physics, HNC/HND Mechanical Engineering, SWAP*
.....
.....

9. Please list **all** qualifications already obtained please state subject, level and grade obtained i.e. SQA National 5 English B, SQA Higher French A, SQA Higher Geography C, HNC Mechanical Engineering*

.....
.....

10. Please confirm you will be attempting one of the following combinations of subjects in 2024:

- Higher Maths and Physics
- Advanced Higher Maths and Physics
- Higher Maths or Physics (only applicable if you are interested in studying Product Design and Innovation or Architectural Studies)
- HNC or HND

*

- Yes
- No

11. Please make comments on the above (optional) for example you may wish to let us know that:

- you have already achieved Higher Maths and Physics
- you have or are sitting Maths and Engineering Science
- the course you are applying for are interested in has entry requirements of Maths or Physics/Engineering Science (i.e. Architectural Studies, Product Design and Innovation etc)

.....
.....
.....

12. Are you eligible for free school meals?*

- Yes
- No

13. Are you a carer or have you experienced care during your education?*

- Yes
- No

14. Tell us about yourself and how you would benefit from being a Strathclyde Engineering Scholar (200 words max)*

.....
.....
.....

15. Tell us why you are interested in studying engineering? What attracts you to a career in engineering? What skills you have or would like to develop to support your aspirations? (200 words)*

.....
.....
.....

16. Is there a specific type(s) of engineering you are interested in? Please specify type(s), allow or state general engineering?*

- Architecture
- Biomedical Engineering
- Chemical & Process Engineering
- Civil & Environmental Engineering

- Design, Manufacturing & Engineering Management
- Electronic & Electrical Engineering
- Mechanical & Aerospace Engineering
- Naval Architecture, Ocean & Marine Engineering
- General engineering

17. Which of the following most accurately describe(s) you? (optional)

- Female
- Male
- Non-binary
- Transgender
- Intersex
- I prefer not to say
- Let me type below ***please specify in next section***

18. ***Please specify*** (optional)

.....

.....

19. Please select your ethnicity (optional)

- Asian or Asian British
- Black, Black British, Caribbean or African
- Mixed or multiple ethnic groups
- White
- Other ethnic group
- Prefer not to say
- Let me type below ***please specify in next section***

20. ***Please specify*** (optional)

.....

.....

21. We are keen to recruit scholars that are representative of the rich diversity of our student community, should you wish to provide any further information that may be useful please do so here (max 100 words) (optional)

.....

.....

.....

22. If successful would you prefer to receive tutoring/mentoring: *

- as part of a small group
- one to one with a personal tutor

23. Please select the most appropriate form below:

- I am applying for a place for myself
- I am a parent nominating my child
- I am a carer/guardian nominating a child in my care
- I am a teacher nominating a pupil
- I am a youth leader nominating someone
- I am a friend making a nomination
- I am an extended family member i.e. aunt, cousin, uncle etc. making a nomination
- other
